

BOURGOGNE Pinot Noir

Total Surface : 25 ouvrées (1 ouvrée = 4 ares 28)

Grape Variety : Pinot Noir

Average Age of the Vines : 40 years old

Nature of the Soil : This vintage is the result of a blending of three parcels: les Maladières, les Croix Blanches, and les Perrières de la Combe. The nature of these soils varies from very chalky in les Perrières de la Combe to a more clay-marly soil in les Maladières and les Croix Blanches.

Harvesting : Manual only

Average Production : 4500 Bottles.

Wine Characteristics : Purple and at times almost ruby, this Burgundy offers a bouquet of red fruits (raspberry, strawberry) with certain vintages presenting several floral notes. Easier to enjoy during its youth compared to certain wines from the Côte, it seduces with its freshness and its gourmet taste. Providing instant pleasure, it will allow a longer ageing for other vintages with a greater ageing potential.
